School Commissioner's Notes

May L. Stewart, Commissioner

At present the big noisy rush is over and the substitute is a steady grind, looking over 232 sets of eighth grade examination papers. Of course every boy and girl is anxious to know just how he came out and we are too, but it will take some time to determine the final outcome. Everything comes to those who wait even an eighth grade examination mark.

For eighth graders who were ill confined to bed at the time of the regular examination May 11th-12th, a second examination may be arranged. According to a new ruling from the state department, the child who had been unable to attend before may request the privilege of writing at a time set by the commissioner, at the office of the commissioner, this being the only place in the county at which this second examination would be held. This does not apply to any who have already written, may be granted only special request accompanied by a physician's statement, and can not be given later than three weeks after the regular examination.

During the past week the following requests for full year Diplomas of Honor for eight months' perfect attendance without tardy marks were received: from the Hopyard school, 1; from Ironton, 1; from Clarion, 7; from Marion Center 8; from Springvale 2; from Chandler No. 1, 9. At the present time Three Bells is in the lead with Chandler No. 1, second and Marion Center third.

Cream white ceilings, cream or buff walls with wood work of a deeper shade of brown have proved most restful to the eyes and the best reflector for poor lighting conditions. The department recommends it for all school houses.

49 school children have been reported to date as deserving of free tickets to the fair.

The canning demonstration by Mrs. Cowles will be held in the Peninsula Grange Hall, June 30th. Everybody come.

DRINK MORE WATER IF KIDNEYS BOTHER

Eat less meat and take Salts for Backache or Bladder trouble—Neutralizes acids.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water, also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

HAS A GOOD REPUTATION

The original and genuine Honey and Tar cough syrup is Foley's Honey and Tar Compound and because this has given such universal satisfaction and cured so many cases of coughs, colds, croup and whooping cough there are imitations and substitutes offered to the public. Insist upon Foley's.—Hite's Drug Store.

KEEPING UP TO THE MARK

"Spring fever" is not always a joke. If you feel dull and sluggish, tired and worn out, suffer from backache or weak back, rheumatism, sore muscles, stiff joints or other indication of kidney trouble, it will pay you to investigate Foley Kidney Pills. They are highly recommended as prompt and efficient aids to health.—Hite's Drug Store.
